Swimming our way through progress

Page #1

Words from the Lt. Governor

If officers are feeling overwhelmed and need help what do they do?

Request for some help, no one is alone. Another fellow officer may assist in the tasks of another because after all we must work together as a family. I am also always available to help out with anything, just send me a heads up and I'll be there! Don't worry you can do it!!!!

Lt. Governor of Division 11: Alé Delgado

Too often we under-estimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.

- Dr. Felice Leonardo

Division 11 Dolphins!

Time is swimming past us so fast! I have had quite an experience throughout my journey with you all.

We have been to many events together and have shared many conversations and laughs as well. Now summer has come to a close and school continues on for some clubs, and begins for others. The tide will grow strong and the pressure will be on, between school and Key Club you dolphins will have a lot going on. I am more than confident that regardless, you will all continue to progress and grow as leaders, broadening your skills level or maybe simply contributing more effective plans to the clubs you partake in.

So far we are doing good, and from what I have noticed I think it's safe to say our membership has great potential in terms of increasing. Keep on recruiting dolphins!

Splashing with service,

Alé Delgado

Way back when...

July 20th

Division 11 Beach Cleanup/ Bonfire

Unfortunately not everyone could attend this event; however it was quite the fun. We got to enjoy the sweet rays of the sun, meeting new people, playing games, and going for a swim with the jellyfishes. Not only that but we also got to contribute to our community by cleaning up the beach and picking up every piece of trash we saw.

July 25th

Food Bank Collection

No doubt that this event was another success in which clubs took part of. The simple donation of even one canned food was enough to help in this collection, and many contributed with heavy loads of donations.

Recruitment

Whether in a club who has already gone back in session or a club who will soon be back in session, it is reminded that recruitment is vital to the success of the division in order to increase membership. As mentioned before, membership has dropped the past few years and the goal is to break free of that trend and to raise our membership. Also just as important is to retain members and keep them active and intrigued.

Remember to send me at least 5 pictures of all Key Cub related events.

Also remember to only send service action pictures!

Articles and pictures

Submit to: cnharticle@gmail.com

Remember to take pictures while at events! You must have 5 pictures submitted with your article. (Posed pictures are great but in-action shots are even better!) There is no limit to the amount of articles you can submit. Files must be named as: D(##)_(Event Title Initials)_Article(#).

September D11 & D31 Joint Council Meeting/ Region1 day

At the Allied Gardens Park at 2pm

The September DCM has been changed to the 12th, to avoid having two meeting week to week. Please spread this information and be sure to mark it down. Remember share this information out to the members you serve. This is the time to invite new and/or potential members, so that they get an opportunity to learn what Key Club is on a division level. Division 11 Dolphins vs. Division 31 Robots with hearts!

This will also be the challenge day where both divisions will be competing in all sort of different activities. The activities will creatively range from food eating contests, to service project planning and more. This event is a great opportunity for division and region bonding. A great event for all to attend and get a better understanding of what Key Club is and to meet new members!

Remember to send me at least 5 pictures of all Key Cub related events.

Also remember to only send service action pictures!

Shirt Design!

What??

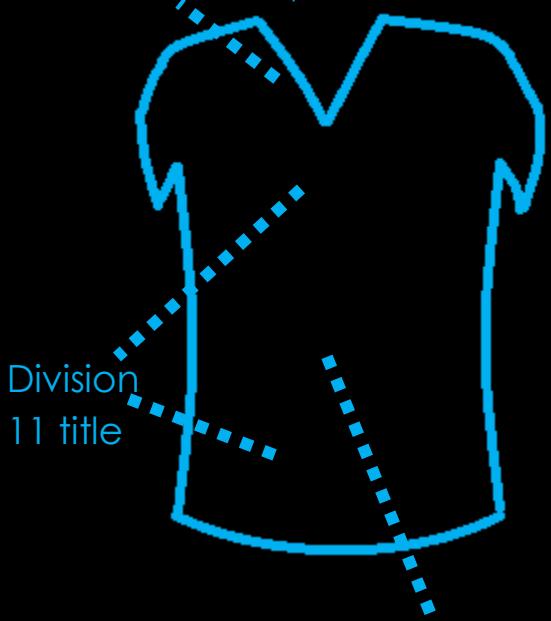

The time has come to create a shirt for the division this year! However it was voted that the "division set dolphin" be changed. If you wish to design a shirt go for it! Simply be sure to follow the instruction given below.

Instructions

If anyone wishes to create a design, the required elements are 1. Division number. 2. Key Club Logo. 3. The names of all the clubs in the division. After creating the design save it as a picture and email it to the LTG. Designs can be done on computer or by hand on paper.

Front Side (example)

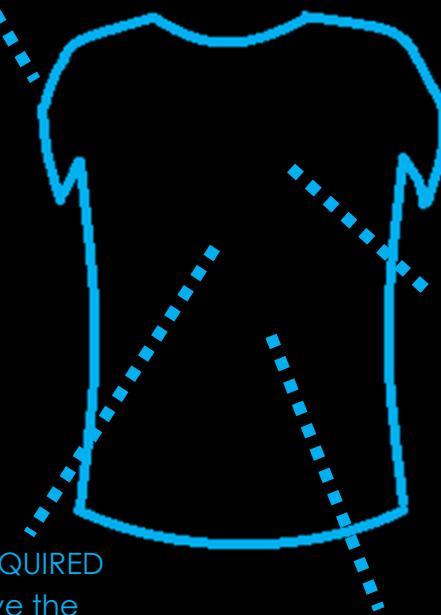

Neck line option can be voted on,
round neck, v neck, etc.
