Splashing it up more and more!

Words from the L.J.G.

What if members don't want to do spirit stuff?

Remember that not all members know about spirit and cheers. It is easy for those who know more about Key Club to understand this idea, However member who have not yet seen this side of Key Cub won't quite "get it." Try showing videos of spirit chants, or encourage them to attend DCM's or division wide events to learn more.

Lt. Governor of Division 11: Alé Delgado

Too often we under-estimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.

Division 11 Dolphins!

Hello dolphins and guests!

This past month has maybe been quite stressful for all Key Clubbers, with homework, projects, college applications, and more. I am proud to see how this division has grown from the beginning of the term. Communication has increased as well as attendance in numerous events. I would, however, like to see more action pictures from each club.

None the less, improvements have been made clear and I am more than thrilled with how everything is coming together. Remember to continue fundraising for PTP. This can be done through selling items around school, friends and family as well. Fundraising money may also be done through simply announcing to others what PTP is and collecting funds from those who wish to help.

Don't forget about service events from the interests of the members as a whole, and service projects too. I am proud to serve Division 11 and cannot wait to continue seeing the progress being made! Great work dolphins!

T-Shirt Design

At the last Division Council Meeting, for as long as the process was, the shirt design has been created. This year we will be going with a different dolphin and style shirt as well.

RawrTC (RTC)

This event I must say was awesome! Not only being able to bring together Regions one and two; but also to celebrate all the accomplishments that have been made to this point. Also, to announce a new mascot and have a fun Key Club day. Not to mention, all the workshops that were made available to learn more and come up with all sorts of great ideas.

I am extremely proud of Division 11, I am happy about several different aspects. For one I was excited to see the attendance from each club. Secondly it was great to see that mostly everyone was representing a past Division shirt, a Key Club shirt or a shirt that simply represented the D11 colors. Unfortunately the Division 11 shirts were not yet ready for this event; however we still managed to look united and be spirited. Lastly, I enjoyed seeing all the spirit that was pouring out everyone, screaming and chanting.

For all those who were unable to attend, it's an honor to announce that Division 11 won 3rd place in spirit! While this may not be 1st, this is just a simply form of proof to show all the progress everyone has made.

Congratulations dolphins, keep it up!
