## For Officers:

### **What do we do in order to start a newsletter for our club?**

If a club wants to start Newsletters they may access templates that have been created on the CNH cyberkey. To incorporate a dolphin theme the Division team has also created a template for our convenience. What to include in the newsletter is simply based on what each club has worked on.

## Lt. Governor of Division 11: Alé Delgado

Too often we under-estimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.

## Division 11 Dolphins!

Hello Dolphins,

I would first off like to start with a HUGE thank you. I would like to thank everyone of you dolphins for all your efforts and dedication and for all your great service and marvelous improvements. As the months have passed I have seen how Division eleven has grown in membership, service and leadership as well. The motivation many of you bring inspires me more and more and only brings an even bigger smile to my face. It is truly an honor to serve you all.

For those who attended Fall Rally, I can honestly say that Dolphins, we have grown. We will also continue growing and if you thought Fall Rally was fun and spirited, you have a lot coming for DCON.

Keep doing the best you can!

Splashing with service,

Alexandra (Alé) Delgado

P.S -

May you all enjoy your break and have a wonderful Thanksgiving with your families.

## **Fall Rally**

This year was a big year for Division 11 at Fall Rally! For many Key Clubbers, this was their first event, and with more than twice the number of attendees this year compared to last year, Division Eleven has clearly grown in size and spirit.

For those who are now looking to be more involved in Key Club, remember that division council meetings are always on the first Wednesday of every month at the Family House of Pancakes (unless otherwise noted) and DCON registration is opening up soon!

Although we didn't win the spirit stick, we definitely showed we were a force to be reckoned with, which we can definitely prove at the 2013 DCON!

Remember to send Alé at least 5 pictures of all Key Cub related events. Remember to only send service action pictures!
