## For Officers:

### What do we do if we need help with the Monthly Report Form?

The monthly report form is to be submitted no later than the 5<sup>th</sup> of every month. If secretaries need help completing the Monthly Report Form, they can contact their associated officers. If there are further issues they can contact me, the Lieutenant Governor.

## Lt. Governor of Division 11: Alé Delgado

Too often we under-estimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.

## Division 11 Dolphins!

Hello Dolphins,  
As the term is slowly coming to a close, it's almost that time of the year to elect the upcoming Lieutenant Governor for the division, as well as club officers. Make sure to begin arranging the elections and to save the date to attend the Joint Conclave for the election of the new Lieutenant Governor on the 19<sup>th</sup>. As there are still three months left for this term, division 11 will be active in further events and will be closer with Division 31 in both events and fundraisers. It's been an amazing eight months serving you all in each and every way. Thanks to you dolphins, I have grown and learned **so** much in this position of Lieutenant Governor, and could not imagine myself elsewhere. I can't wait to share another three fantastic months with you.

Splashing with service,

Alexandra (Alé) Delgado  
P.S. \*Happy Holidays!\*
